

Turf Management Crew Leader

Landscape Renovations, an award winning design bid/build Landscape Company, is looking for a Turf Management Crew Leader to join our Landscape Management Department. This person will be responsible for the care and maintenance of our residential turf clients as well as helping out with the overall property management and small landscape enhancement projects. Strong attention to detail and good communication skills to effectively lead crew and interact with high end clients is needed. Crew Leader must have prior professional turf experience.

We offer a competitive wage package with opportunity for growth and advancement. Snow plowing work is available in the winter months.

Requirements:

1. Currently have or willing to obtain a Minnesota Pesticide Applicator's License and a DOT Health Card.
2. Turf care knowledge including basic turf insect and disease problems
3. Previous experience in pruning, sheering, sod installation and planting or a strong willingness to learn.
4. Must be able to lift 50 lbs and willing to work in seasonal weather conditions.

Contact: Please send resume, salary and benefit history to employment@landscaperenovations.com or fax to (651) 769-1140.
